Tim Farron MP,
Chair of APPG for Radiotherapy
House of Commons
London SW1A 0AA

Dear Mr. Farron,

Re: UK Radiotherapy Covid-19 Task Force

We, as groups from the Radiotherapy Industry, reach out to the UK Government with regards to being part of a UK Radiotherapy Covid-19 task force.

We are committed to giving full industry support in finding and implementing solutions to the challenges faced by Radiotherapy departments, in order to treat cancer patients, now and in the future.

Signed:
